### Reaching to Engage, Affirm, Challenge and Honor New Leaders.

A KNEA Program designed to identify and develop skills of emerging leaders.

KNEA is providing training for “identified emerging leaders.” **You** as KNEA Leaders and Presidents are important in the identification and recommendation process. We hope to train and inspire a group of 20-25 emerging leaders. The training will cover leadership and participation in the association with flexibility to accommodate the needs of the participants. We are looking for recommendations of members that have **eight years or less teaching experience** and have **not held an office higher than association or building representative**. It is important to identify, train, and prepare our newer members for leadership in the association.

After you have identified your potential R.E.A.C.H. nominee, **please contact him or her** to offer awareness of the training opportunity and to determine that he or she is interested in participating.

Then fill out the form below, (one per nominee) and send it to Betty Woods by email to; [Betty.Woods@knea.org](mailto:Betty.Woods@knea.org) or mail the completed sheet to KNEA ERO Attention: Betty Woods, 11015 W 75<sup>th</sup> Terrace, Shawnee, KS 66214.
